Dear Ms. Nguyen:

Dr. Niko Papanikolaou has met the qualifications required by the Texas Department of State Health Services, Bureau of Radiation Control and has been authorized by the Radiation Safety Committee under the authorization of the Broad Scope Medical Radioactive Material License (L01279) issued by the Texas Department of State Health Services, Bureau of Radiation Control as an authorized Medical Physicist for use involving HDR, radiation therapy, and unsealed source medical procedures and to sign as a preceptor for Medical Physics residents and staff. He is the Chief of Medical Physics at our Cancer Therapy Research Center and has been authorized under L01279 since November 2005.

If you have any questions, please contact me at (210) 567-2955.

Respectfully,

Jennifer Watson, MS
