Mr. Donald A. Nussbaumer, Chief
Source and Special Nuclear Materials Branch
Division of Materials Licensing
U. S. Atomic Energy Commission
Washington, D. C. 20545

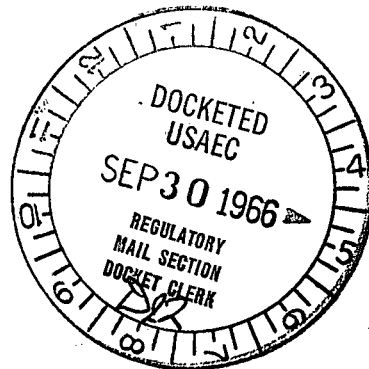

Dear Mr. Nussbaumer:

Our AEC license SNM-639 presently contains an exemption to Section 20.203 (F) (2) of 10 CFR 20. Because of the changes in this section, which become effective November 4, 1966, an exemption is no longer necessary.

Very truly yours,

C. J. Konnerth
C. J. Konnerth, Supervisor
Health Physics Department
