Gentlemen:

Re: Amendment No. 1 to Application for Broad Specific
Byproduct Material License and for Source and
Special Nuclear Material Licenses.

On July 11, 1962 we submitted ten copies of an application for a
Broad Specific Byproduct Material License.

As a result of preliminary discussions with members of your staff
we are hereby transmitting as an amendment to the original applica-
tion, ten copies of the Organization Chart of our Research Center.

Very truly yours,
