SUBJECT: CONFIRMATION OF REQUESTED DELAY FOR 2011 INITIAL OPERATOR  
LICENSE EXAMINATION FOR SAINT LUCIE PLANT

Dear Mr. Anderson:

In a letter (L-2010-049) dated March 23, 2010, you requested that the initial license examination scheduled to commence preparations on January 3, 2011 and the operating test administration on January 31, 2010, be delayed for approximately three weeks. We understand that the delay was requested to complete additional training for the current applicant class. We noted that the class size remains at 24 applicants; however, we adjusted our schedule to reduce the administration of the operating test from four to three weeks. After a review of our FY 2011 examination schedule we were able to accommodate your request as follows:

Plant / Station	2011	
	Date	Applicants
St. Lucie	2/21	24
