**Subject:**

I would like to donate a USGS record I found on the seismic hazard area in lower Lea county NM and Andrews county Tx to the New Mexico State Bar Association.

This is one you want to hang onto guys, long term..

Any questions, just ask these people from the Nuclear regulatory commission. They know everything about it,,,,, Or even Mr Brozowski from the EPA is fully up to speed on the situation as well.

Or Ron Curry from NMED.

regards  
Phillip Barr
