MESSAGE: Amendment to Product Material License No. SUB-1502

Mr. Thompson, per our conversation on March 31, please remove Larry Austin and D. P. Mercardo from our license and add Leslie H. Cleary as the RSO. James S. Lee will be my alternate. The other questions that you had concerning the Ni-63 and the Am-241 I will answer at a later date. Thanks for your patients.

Leslie H. Cleary
