MEMORANDUM FOR: William E. Manion, Chief, Financial Operations Branch, CON  
 FROM: William O. Miller, Chief, License Fee Management Branch, ADM  
 SUBJECT: UNION CARBIDE CORPORATION INSPECTION FEES

As a result of a recent review of License SNM-639, we have determined that the proper fee category was not assigned at the time the license was amended on March 26, 1979. As a result, Union Carbide was not assessed the correct fees for the safety and safeguards inspections conducted since March 26, 1979. Accordingly, please bill Union Carbide for additional inspection fees totaling \$21,000 as follows:
