RATSID: 2008-1 and revisions to two final definitions in 10 CFR not associated with a specific RATS amendments addressing NRC December 2009 comments.

Ken,

Per our discuss today, thank you for your additional information. However, as we discussed, since these April 9 version of these proposed changes are not different from the March 31, 2010 we have accepted for review, we will not be reviewing the April 9 version sent today. If we do have any questions, we will contact you during the review of the March 31, 2010 package per our procedure.

Kathy

Thanks very much for the very prompt response.

Attached for your use are the proposed amendments as PDF documents, plus the accompanying explanatory Statement of Basis and Purpose and Regulatory Analysis, for Part 1 and Part 10, as these changes will be before the Colorado Board of Health.

Please feel free to contact me if you have any question.

Dear Mr. Tarlton:

The Office of Federal and State Materials and Environmental Management Programs has received the March 31, 2010 letter from you transmitting the Colorado proposed regulations to incorporate RATS ID 2008-1 and the revisions to two final definitions in 10 CFR not associated with a specific RATS amendments addressing NRC December 29, 2009 comments. The review has been assigned to Leira Cuadrado and it is our goal to complete the review within 60 days. If you have any further comments or questions, please contact me. Thank you for your attention.
