Dear Sir:

Please be advised that Eastern Associated Coal, LLC. is hereby taking the following corrective actions to ensure that the nuclear device shutters checks are being completed as per our NRC License 47-24809-01. Kanawha scales has been contracted to do all future shutter checks and leak testing, as per the requirements of our license, for our Wells Preparation Plant. A record of these checks and tests will be maintained.

If there are any questions or you require additional information, please call me at (304) 247-8273.

Respectfully submitted,
