Subject: Change in Primary Contact/Radiation Safety Officer

Reference: U.S. Nuclear Regulatory Commission (NRC) License No. 25-29355-01

Dear Ms. Murnahan,

Our current Radiation Safety Officer (RSO), Joseph Scheeler, will be retiring as of March 31, 2010. We are requesting an amendment to our current NRC License (No. 25-29355-01), transferring duties as Radiation Safety Officer from Joseph Scheeler to Kelvin Gebhardt. We have been in contact with our portable gauge manufacturer and are setting up on-site training as soon as it can be coordinated with the gauge manufacturer. Training is tentatively scheduled for the week of April 12, 2010.

Please contact Kelvin Gebhardt with any questions at (406) 442-8855 Extension 7133.

Sincerely,

Kelvin D. Gebhardt  
Chief Chemist  
Ash Grove Cement Company  
Montana City Plant
