MHI,

Attached are the final versions of the fifth set of RAIs for Non-LOCA Topical Report MUAP-07010-P(R0) and the third set for the MARVEL-M Theory Manual. Both documents are **NON-PUBLIC PROPRIETARY** (no public versions). These RAI documents were sent to you in draft form. Your licensing review schedule assumes technically correct and complete responses within 30 days of receipt of RAIs. However, MHI can answer questions **MSLB-16-1** and **MSLB-18** within 45 days as requested.

These **NON-PUBLIC PROPRIETARY** RAI questions will not be made public.

Please submit your RAI response to the NRC Document Control Desk.

Mike Takacs  
Project Manager, US-APWR Projects Branch  
Office of New Reactors
