Documents Title in ADAMS)**

I first asked for Charles Harrell and Gerald told me that he didn't work there anymore. Then I asked for John Russo who is the management contact and Gerald told me that he didn't work there anymore either. I asked who took Mr. Russo's position. He said William J. Carroll who is the Owner and President. I asked Mr. Galati about the address change. He said that it wasn't a change in location, that the postal service told them that they were not authorized to have an address of 39a and they were told that their address was 37 Ozick Drive. The building is made of subsections and had used the "a" letter to assign the location. Mr. Galati supplied me with the needed information to process the amendment request.
