Subject: Receipt of New Jersey Agreement application

Hello everyone,

I am writing to let you know that New Jersey has submitted the final Agreement application, by letter from Governor Corzine, dated October 16, 2008. You were each on the original working group reviewing the draft Agreement application. I will be helping Dennis Sollenberger on this project as well.

We are contacting you to see if you are still available for the working group reviewing the final Agreement application. Please let me know if you are available. If for some reason you cannot participate, please let us know as soon as possible so that we can work with you and your management to get another representative providing similar expertise.

We are working to get a non-public version of the application in ADAMs and I will let you know the ML number at that time.

We hope to schedule a kick-off meeting the **week of November 3, 2008**. We need to get the team reviewing their respective areas as soon as possible.

If you have any questions, please contact me. Dennis is on travel next week, the week of October 27, 2008.
