I heard that Jay Silberg (the Shieldalloy attorney) called yesterday to inform OGC that he was going to try and schedule a meeting with the Commissioners' LAs to discuss the proposed NJ agreement. I was going to tell you that when we met today, but looks like you have some other sources of information. Joan

for your information in case request for information comes up - If the Commission and/or Chairman agree to meet, I see a briefing book in our future.....

Thanks, apparently they are also trying to get to the Chairman. Marty and the Chairman discussed this morning - Shieldalloy is trying to get a meeting with the Commissioners. Marty is trying to get the whole thing back in process and while I knew the comment period had ended and that there were comments, I wasn't sure if Shieldalloy had decided to formally comment or just decided to try and go through the Commission. This information helps a ton!!!

Thanks,
Alison

Of course they did! It's a pretty big document but the substance is in the June 11, 2009 letter. the MLs are: ML091700382 and ML091680491 if you want to take a look. The June 11 letter is in the 1st ML ending in ...382. We are just so thankful that we got a courtesy copy through Jack Hayes, the PM for Shieldalloy, early so that we could start evaluating them.

Hi Torre/Dennis,

Would you be able to tell me whether or not Shieldalloy made comments on the NJ Agreement prior to the close of the public comment period?

Thanks!
Alison
