MEMORANDUM FOR: C. James Holloway, Jr., Chief
License Fee Management Branch, ARM

FROM: Leland C. Rouse, Chief
Fuel Cycle Safety Branch, NMSS

SUBJECT: FUEL FACILITY SAFETY ASSESSMENTS

During 1986-87, facility operational safety assessments were conducted. Some licensees may have been charged a fee for these assessments. We would appreciate a listing as to which of the licensees listed below were billed for the assessment, the fee amount, and whether the fee was paid.
