Subject: RE: Shieldalloy Metallurgical Corp., Docket No. 40-7102-MLA -- NRC Staff's Fifteenth Status Report

Dear Board members and parties:

Shieldalloy Metallurgical Corp. ("SMC") believes that the Fifteenth Status Report submitted by the NRC Staff on October 1, 2009 warrants additional information to be provided to the Board on various matters relating to the status of the decommissioning of SMC's Newfield, New Jersey licensed facility. The attached letter and enclosures (also being sent today in hard copy by first class mail) provide that additional information.

Sincerely,
