**Subject:** Notification of New DPO

In accordance with section (D)(3)(c) of the MD 10.159 Handbook, I am notifying you that I have received, screened, and accepted a new DPO for review under the DPO process.

The DPO (DPO-2008-001) raises concerns about the NRC staff closure process for Generic Safety Issue (GSI)-191, including associated activities such as review of Generic letter (GL) 2004-02. The submitter believes that the process has resulted in a review that is unnecessarily focused on compliance versus a determination that the underlying safety issue has been satisfactorily addressed.

I will soon be forwarding this DPO to Eric Leeds, NRR, OD for appropriate dispositioning.

Please feel free to contact me if you have any questions about this DPO or other DPO-related issues.
