RE: call with Uranerz and SHPO on
Nichols Ranch Project

No problem.
Have a good weekend.

F/7

Clint,

Per my voicemail, are you free next week for a call between the NRC, Uranerz, and SHPO regarding the Nichols Ranch Project cultural resources?

The SHPO has some questions on the survey reports and I think we may be able to answer most if not all of them via a phone call. Please let me know your availability and I'll set it up. Thanks..
