As requested, the individual that supplied the additional BLM responsibilities to the above-referenced table was:

Russell Pigors, Physical Scientist  
Bureau of Land Management  
South Dakota Field Office  
310 Roundup Street  
Belle Fourche, South Dakota 57717  
phone: 605-892-7006  
fax: 605-892-7015  
email: [rpigors@mt.blm.gov](mailto:rpigors@mt.blm.gov)

I have, since, revised that table so that it, now, reflects only the NRC and BLM considerations, as well as eliminating many of the redundancies. Pending any modifications from BLM HQ, it will be attached to the NRC/BLM MOU for environmental review of uranium recovery facilities.
