Re: FOIA Request for correspondence, OI reports, allegations, NRC decisions regarding Ginna Nuclear Station emanating from Ginna Founders letter

Dear FOIA Officer:

Under the provisions of the Freedom of Information Act, I am hereby requesting records pertaining to the Gina Nuclear Station, specifically a 2007 (estimated date) letter signed by the "Ginna Founders", and all subsequent correspondence including Office of Investigations files, allegations, and NRC decisions.

The requested information will be used by the New York State Department of Public Service in its official government functions. As a state agency, we are requesting that any fees be waived.

I would appreciate a response as soon as possible and look forward to hearing from you. If for any reason any portion of my request is denied, please inform me of the reasons for the denial in writing and provide the name and address of the person or body to whom an appeal should be directed.

Sincerely,

Paul D. Eddy, Utility Supervisor
New York State Department of Public Service
