Ms. Roldán,

To answer your question(s).

For both the increase in possession limits for F-18 and TI-201, the Form should be "Any" and use is "Medical Research, Diagnosis, and therapy."

Respectfully,

FRANCIS M. FOTA

Dear MAJ Fota:

This is in reference to your letters dated February 9, 2010 and March 29, 2010 requesting an amendment to your Nuclear Regulatory Commission License No. 53-00458-04. In order to issue the amendment we need the following additional information:

1. Please provide a description of use for the byproduct material requested (e.g., Medical Research, diagnosis and therapy).
