ERRATUM TO NRC STAFF'S RESPONSE TO HEARING  
REQUEST OF CONSOLIDATED PETITIONERS

On page 8 of its Response to the Consolidated Petitioners' Hearing Request, the Nuclear Regulatory Commission Staff inadvertently stated, "Except for Mr. Hyde, none of the individual petitioners has provided information sufficient to demonstrate standing." This sentence should read, "*None of the individual petitioners has provided information sufficient to demonstrate standing.*" (Emphasis added.) As made clear in the discussion on pages 8–13 of its Response, the Staff's position is that none of the individual petitioners has provided information sufficient to demonstrate standing. The Staff regrets any confusion resulting from the error on page 8.
