**Subject:** Dewey-Burdock teleconference

Mr. Burrows, I have just been made aware of the conference call on Dewey-Burdock scheduled for tomorrow morning. I would like to participate if at all possible. Please provide me with a call in number if you are able. I would also like to reserve a line for Mr. Frankel, attorney for proposed Petitioners in the Dewey-Burdock licensing matter, and copied on this email.

I understand that the NRC provides some website notice of such public conference calls, but such passive notice is not always effective. If there is a way in the future by which you could provide me with email notice of when such calls are scheduled on the Dewey-Burdock licensing matter, it would be greatly appreciated. Thank you for your consideration.
