Subject: STP Chapters 6, 7 and 10, Phase 2 SER/OIs (Non public)

Mike,

STPNOC has completed reviews of the draft SER for Chapters 7 and 10 and determined that these documents do not contain proprietary information and may be released to the public.

Chapter 6 draft SER has been reviewed and it was determined that specific information previously submitted as proprietary may be included. Details will be provided separately; however, until this issue is resolved, STP requests that this document not be released to the public.

Regards,

Coley Chappell
STP 3&4 Licensing
