SUMMARY

**Background**

Licensee submitted an amendment request dated 02/22/2010 to add a new storage location in Salina, Kansas to their NRC license. Note this location is not located in NRC jurisdiction.

**04/05/2010**

I contacted the licensee, Christopher Flageolle – RSO, to verify that I understood their request. Mr. Flageolle indicated that my understanding was correct. He informed me that they have both an NRC license and a State of Kansas license, and the reason for this amendment request was that he was lead to believe that he needed to add this location to their NRC license so that the State of Kansas can do an inspection. Note he was not sure why State of Kansas inspector said this. I suggested that he contact the State of Kansas for clarification.

Since this location in not under NRC jurisdiction, I informed Mr. Flageolle that I will be voiding this request. Mr. Flageolle had no objections.
