Ravi,

**Southern Alliance for Clean Energy** was left off the public meeting announcement for the 4/13 meeting at Vogtle. I have contacted them personally and provided them with a copy of the meeting notice, and asked to have the service list updated for near sits meetings. Should this be put in ADAMS? If so could you make that happen.

Thank you

Larry

Hello Mary, Rita and Sara,

Our Washington office scheduled a public meeting near the Vogtle site and I noticed you were not on the distribution for the meeting notice. I know this is on a subject that you feel very strongly about and I wanted make sure you were aware of the meeting. I also wanted to make sure you were given an opportunity to speak with the persons and organizations responsible for the COL at Vogtle. I am copying this meeting notice and this e-mail to Mr. Fred Schofer to ask that you be included in all meeting notices of this type.

I understand you would like to be contacted at
