Subject: Discussion of Training requirements for Security Personnel

Jessie,

It was good to hear from you.

I would like to talk to you and Judy Johnson about an RAI for the North Anna COLA Plan. There appears to be some confusion about the training requirements for persons assigned Armed Responder Duties who are addressed as Armed Security Officers In the Plan.

There are two Columns in the Training Matrix that are in question. Armed Security Officer and Armed Responder. All security persons who would be used to augment the Armed Responders in a Security Event will be qualified as Armed Responders.

The title of Armed Security Officer in the Plan has no bearing on the level of training, titled Armed Security Officer in the T&Q. Any person assigned Armed Security Officer Duties as Described in the Security Plan will be qualified as Armed Responders.

Therefore there is no need to duplicate the two columns.

Sincerely,
John F. Curling
