

Meeting Notes

Agency: Fremont County Planning

Location: Lander, WY

Date: Wed, Jan 14, 2008

Time: 11:00

Attendees:

Ray Price, LCP
Stephanie Davis, Environet
Alan Bjornsen, NRC

Purpose:

To inform the Planning Department in Fremont County about the proposed Lost Creek project, as well as others that may be proposed, and what, if anything, they knew about the the project, and what their concerns might be.

Discussion:

- A "drop-in" meeting to get a 'feel' for planning within the county
- Unlike Sweetwater, the county does not have zoning (only the cities of Lander and Riverton have zoning)
- The county does review proposed subdivisions
- County also reviews waste water discharges
- County operates a LF, east of Lander
- There is also a LF in Riverton, as well as a transfer station
- The county maintains a 10-mile stretch of road south from Jeffrey City, to Crooks Gap (beyond that, the road is in poor condition)

Action Items:

None
