Subject: Our next meeting

Hi Mitch: I was wondering if you had given thought to a date and time for our next meeting. If you can let me know what works for BLM, I can coordinate schedules for the NRC staff who would attend.

On a related note, we had a telecon with the State of WY Friday and they requested a face to face meeting with NRC and BLM to discuss each agencies NEPA process (timing of engagement, etc). We are considering meeting with them in WY and I would imagine you would have your field offices participate. We haven't set a date- this is just a heads up
