Subject: MOU Implementation

Mitch/Rick/Frank,

NRC would like to meet (or telcon) with you to discuss plans for implementing the recently signed MOU. NRC has prepared its communications plan for implementing its portion. I realize that nothing will happen before the New Year, but can you give us an approximate time in the first two weeks of January? Thanks.

Rick - Sorry for the delay, but Colorado is an Agreement State so the NRC doesn't have any involvement in licensing uranium milling activities there.
