Good morning, Tim. I spoke with Richard Currit this morning about the CR Report and forms that were submitted for the Lost Creek ISL. He indicated that they did not need to be resubmitted, but that only a letter of concurrence was required. So, all that we need are the State Forms that accompanied the report.

Richard also mentioned that you had submitted a Data Recovery Plan for a pre-historic site located on the Lost Creek site. In addition to the forms, would you also send a copy of that plan to me, as well? Are there electronic copies of these? Thank you.
