Mitch and Rick - we have received an inquiry from Charlie Millers office as to whether there is any interest setting up what we were calling a "signing ceremony".

Let me know if you have any input on whether there is interest in setting up a face to face between BLM and NRC management.

Thanks.

Following up to see if you've heard back from BLM.

Thanks Marcia. We will go back to BLM and see if we can work something out.

I spoke with Charlie and he has agreed to a meeting/ceremony. For starters, since it sounds like they will not be available until December, you may offer up the following and see what they come back with:

Monday, December 7 - 11:00 a.m. and anytime after
Tuesday, December 8 - 8:30 - 9:30 a.m. / 11:00 a.m. - 12:00 p.m.
Wednesday, December 9 - 10:30 - 11:30 a.m. / 1:00 - 2:00 p.m.
