**Subject:** FW: Follow-up to yesterday's call  
**Attachments:** 3809\_MOU\_wy\_blm\_deq.pdf

Folks - see the information from BLM Wyoming.

I would like for Alan to get back so he can respond to Ed about sending the file electronically. Alan can hopefully answer questions about why there may be some differences in the table.

We may also have to send some additional copies of the letter and the attachments to the address shown below.

Patrice M. Bubar, PE, Deputy Director  
Environmental Protection and Performance  
Assessment Directorate  
Division of Waste Management  
and Environmental Protection - FSME  
U.S. Nuclear Regulatory Commission
