Subject: NDE Procedure

Mark,

As you are the Point of Contact between the team and Headquarters, I will ask you to forward the NDE Procedure (which I e-mailed to you within the hour) to Farideh Saba, as she requested during the call.

Meanwhile, I will try to get a copy of the Test Plan this afternoon and forward it to you. As time permits, I will go to the field and observe some of the work being done.

Bob
