Hi George.

I received the attached e-mail upon arriving this morning. Could you get in touch with Mr. Portmann to be sure that he can supply the information you need?

Thanks,

Bob Carrion

I do not recall being involved with that question. You are probably referring to Bob Carrion. I will copy him on this e-mail.

Dennis – I had asked one of the NRC Inspectors a few weeks ago (I don't remember his name, Bob maybe?) for a clarification of Request#25 {Provide results of current visual inspections – George Thomas}. Have you heard anything back on this? The question is pretty broad and I'd like to get them the specific information they desire. Could you find out so we can get this request closed out? Thanks, Rick
