Hi All,

Just to catch-up: Mark Franke and I met this morning to discuss the CR3 SIT. Anthony Masters is available next week (rest of the branch is preparing for scheduled inspections the week of 10/19). He is in contact with Luis Lake and Bob Carrion in respect to inspection team details.

I am pleased that we have this opportunity for supporting operating side as well the opportunity for first-hand knowledge to be factored into the construction inspection program.
