Subject: CR-3 Reactor Building Design Model

Mr. Paige,

Mr. Louis Lake (NRC Special Inspection Team Lead) has requested that a conference call be scheduled for 10:00, on November 12, 2009, between the NRC (Special Inspection Team and NRR), the CR-3 Reactor Building Concrete Delamination Root Cause Team and MPR Associates, Inc. The purpose of this conference call is to discuss the CR-3 Reactor Building design model. The following conference call information will be used:

AT&T Toll-Free number: (877) 848-7030 *EL*
Access Code: (b)(2)

Information being developed by MPR Associates, Inc., to support the conference call will be provided as soon as it is available.
