Subject: Re: Reasons for Extension

Hi Mohammad,

The reasons for the extension essentially revolve around our prediction of the time requirements to complete the physics (fortran) coding and updating the GUI (VB) coding, and then getting the two portions to communicate. Many other tasks (NUREG, V&V, etc) have been completed as far as they can without the new coding, but now those tasks are waiting for a final version before full completion.

David,

Could you please send me the reasons for no cost extension of the VARSKIN contract. Thank you.
