PRAIRIE ISLAND INDIAN COMMUNITY'S INITIAL AND SUPPLEMENTAL CERTIFICATION OF LICENSING SUPPORT NETWORK, AND DESIGNATION OF RESPONSIBLE PERSON

Each potential party is required by 10 C.F.R. § 2.1003 to make available and to supplement on a continuing basis certain documentary material on the Licensing Support Network (LSN). Pursuant to the requirements of 10. C.F.R. § 2.1003, the Pre-Application Presiding Officer (PAPO) Board has ordered in the Revised Second Case Management Order dated July 6, 2007, that each potential party undertake such supplementation on or before the first day of each month following its initial certification.

The office of undersigned counsel for the Prairie Island Indian Community (PIIC), and his technical contractor, has been in communication with Daniel J. Graser, the Nuclear Regulatory Commission's Licensing and Support Network Administrator, and with his designate, Matthew Schmit, to obtain technical guidance to implement the requirements of § 2.1003. PIIC understands that such implementation should be completed on or about this date, subject to some interchange testing efforts. PIIC will ensure that all requirements for the LSN certification and

supplementation will be completed, and will cooperate with the advisory review process under § 2.1011(d).

On information and belief, PIIC has not yet identified any documentary material as specified in 10 C.F.R. § 2.1003 for upload to the LSN, and therefore has not uploaded or supplemented any documentary material to the LSN. While most aspects of this proceeding are currently stayed under the February 16, 2010 Order, PIIC continues to make every good faith effort to identify and make electronically available the material specified in 10 C.F.R. § 2.1003, and to supplement any such material.

PIIC designates undersigned counsel, Don L. Keskey, as the person responsible for the administration of PIIC's duty to file and supplement the LSN collection of electronic files of documentary material. I, Don L. Keskey, hereby certify, pursuant to procedures established under 10 C.F.R. § 2.1009(a)(2), and the Revised Second Case Management Order dated July 6, 2007, and to the best of my knowledge, that there exists no documentary material specified in 10 C.F.R. § 2.1003 (other than PIIC's Petition to Intervene and attached Affidavit and attachments already filed in this Docket on March 15, 2010) that should be filed in accordance with the requirement of 10 C.F.R. § 2.1011(b)(2).

PIIC will continue to supplement its collection of documentary material on the LSN as required by 10 C.F.R. § 2.1003(e) and the Revised Second Case Management Order dated July 6, 2007.
