In letter indicated above your RSO and Vice President requested a storage site at 11941 Industrial Park Road, Unit 4, Bishopville, Maryland 21813, be added as a storage facility on your NRC license 19-31261-01. The NRC is voiding this request without prejudice as:

Maryland is an agreement state, NRC does not have jurisdiction. NRC does not add agreemant state locations of storage on NRC licenses..

You also noted you already have this location on your Maryland license.

No further correspondence will be sent by the NRC regarding this matter as we discussed in our telephone conversation on April 30, 2010.
