You're correct, it's 4:30.

I saw 430pm in the last note but yes, I am aware that we'll get updated. Hope your 2pm goes well.

OK, thanks. I'm assuming you saw the email that said there would be a 4 o'clock conference call to let everyone know how the briefing went.

Great - thanks. FYI, I saw on the HOO note that Nancy McNamara is going into the office to support OCA needs. I let her know that it was quiet thus far but like with media that could change later.

Thanks

Amy,  
Seems to be only a trickle. The ABC affiliates in Philadelphia and Harrisburg are carrying the story. So is the York Daily Record. I'd expect more after we do the briefing of reporters at 2 this afternoon. I'm in the process of sending out that note to editors now... it's really just an email. I'll send everyone an email afterward... sometime this evening.

Hi Diane - I hope you got some rest last night/this morning! Any sense from clips or your conversations of how widely the story got picked up?

No inquiries yet from Hill staffers yet after my quick note to them. Still early...

Safe travels to you today,  
Amy
