Hi Doug,

With regard to the questions that were generated as a result of the 11/23 conference call between Chairman Jaczko and the Governor of PA (Ed Rendell), the latest draft response (attached below for the folks on the cc list) was provided to the Chairman's office COB yesterday, and we're expecting to hear back from them before or around lunch time today. I'll plan to let you know when it's okay to email the response to the Governor's SLO (Dave Allard) as soon as I hear back from Chairman Jaczko's office.

NRC Response to  
Governor Rende...

Cheers,  
Leigh
