Re: Statement of Intent – UF Training Reactor

The purpose of this letter is to provide decommissioning funding assurance for the UF training reactor as required by 10 CFR 50.75(e)(1)(iv).

The funding necessary to decommission the UF training reactor (currently estimated cost of \$3.28 million) will be obtained when needed.

The university is a public body corporate of the State of Florida and is constituted as a public instrumentality of the State of Florida. As the university's Chief Financial Officer, I am authorized to commit funding for this purpose.

Matt Fajack, Vice President and CFO
