Subject: Relicensing Diablo Canyon

Dear Mr. Stuyvenberg,

When considering the relicensing of the Diablo Canyon plant, please ask the Board to thoughtfully consider the economic support Diablo Canyon provides for our schools. While other school districts are suffering from lack of funds, property taxes from Diablo Canyon in San Luis Coastal Unified School District provide a buffer from State budget cuts to education. I am sure that these funds play an integral role in the excellent scores achieved by SLCUSD students on standardized tests and the high esteem in which our schools are held.

Sincerely

Deb Spatafore
