Dear Mr. Davidson:

During a routine review of your license we noted that Item 8 of the license is not written in accordance with current NRC policy; and the license includes a condition (Condition 18) that is not applicable to the type of gauges that are authorized on the license. We have revised Item 8 of the license and removed the inapplicable condition from the license. A Corrected Copy of License No. 19-31388-01 is enclosed.

We apologize for any inconvenience these errors may have caused.

Sincerely,
