I haven't forgotten but I was hoping to get that to you by tomorrow afternoon. Is that ok or do you need to know today?

Subject: Meeting Questions

Hi Irene,

Have you had a chance to put together the subjects that we will be talking about on Tuesday? I just need to know so that I can let some of my consultants know if they need to participate in the meeting.

Also, the weather looks fairly decent for Monday and Tuesday. Temps in the 30's with the good ol' Wyoming wind, but right now not much snow is expected.

Mike
