Mr. Reichold,

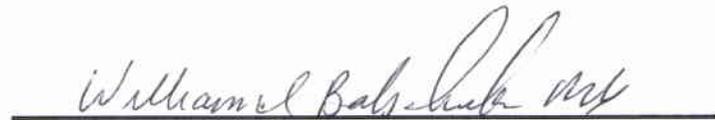

I would like to request an amendment to our byproduct materials **License No. 13-01719-02** for Tipton Hospital in Tipton Indiana. We would like to remove part 10 CFR 35.300 from our license under William I. Babchuk, MD. We feel that over the years we have never used this part of our license and don't anticipate using this anytime in the near future. This was discussed to me from Dr. Babchuk, that he wishes not to carry part 35.300 on our license any more.

If you have any questions feel free to contact me Sam Llewellyn at 765 675-8538 or 765 675-8105, fax No. 765 675-8178.

Thank you.

Sincerely,

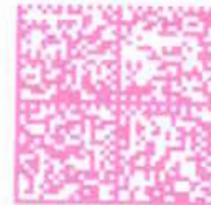

Samuel K. Llewellyn, RT(R)(N), CNMT; RSO

William I. Babchuk, M.D.
