MEMORANDUM FOR: R. S. Brown, Jr., Assistant to the Director  
and Chief, Program Support Branch, NMSS

FROM: Peter Loysen, Project Officer  
Advanced Fuel and Spent Fuel Licensing Branch  
Division of Fuel Cycle and Material Safety, NMSS

SUBJECT: RFPA UNDER CONTRACT NO. NRC-02-83-035  
TECHNICAL ASSISTANCE CONTRACT L

Re: Memorandum, Ploysen to R. S. Brown, Jr. Subject as above, dated  
July 25, 1983.

The estimate of effort for the task described in the reference  
memorandum was inadvertently described as "man-months" rather than  
"man-weeks" as intended. The estimated cost for this task is therefore  
\$12.7K rather than \$30K.
