Docket No. 70-687

MEMORANDUM FOR: Ralph G. Page, Chief
Uranium Fuel Licensing Branch
Division of Fuel Cycle and Material Safety

FROM: Leland C. Rouse, Chief
Advanced Fuel and Spent Fuel Licensing Branch
Division of Fuel Cycle and Material Safety

SUBJECT: WASTE STORAGE FACILITY AMENDMENT FOR UNION CARBIDE
(TUXEDO, N.Y.)

I request technical assistance of Norman Ketzlach on the new waste storage facility amendment for Union Carbide (Tuxedo, N.Y.). We promised to give it a high priority. Some further background on this amendment are given in the enclosed trip report of Dr. A. T. Clark and letter from Marc H. Voth of Union Carbide. Review time on this should be charged to Casework No. 07000687A05S.
