

Emergency Preparedness comments for NEI 08-01, rev 4E

Ronald Schmitt
EP Specialist
NSIR/DPR/EP group

Introduction

- Emergency Preparedness staff reviewed NEI document for application to emergency preparedness ITAAC inspections
- Coordinated proposed revisions with NRO Region II and HQ staff
- Presentation today for input to NSIR/EP group's comments

Emergency Preparedness

Comments relating to emergency preparedness

- Clarifying text in Section 1
- Definitions in Section 2
 - Clarification of inspections
 - Program Elements
 - SSC

Emergency Preparedness

Further comments relating to emergency preparedness

- Clarifying text in Section 3.0
- Incorporation of language from SECY 08-0117 in Section 3.1.3

Emergency Preparedness

Further comments relating to emergency preparedness

- Added “program elements” text in whole document, where SSC item was mentioned for ITAAC verification
- Added specific reference to example for emergency preparedness, emergency response organization (ERO) for discussion of ITAAC Maintenance issues, in Section 8.1

Conclusion

- Emergency Preparedness
 - Includes reviews of procedures, training, facilities and equipment
 - Concerns need to be addressed in the NEI document
 - Is the last line of defense for providing for the public's health and safety
